MR. MOORE begs to recommend his GOGO SHAMPOO-WASH to the public, as unrivalled by any preparation ever produced for promoting the growth of the hair. The basis of this compound is made of soap root; the natives of the Philippine Islands never use anything else for washing their hair; they are never found bald, and it is quite common to see the females with hair from 5 to 6 feet long. By constantly using this Shampoo-Wash as directed, you will

NEVER BE BALD. The proprietors offer the Wash to the public entirely confident that by its restorative properties it will without fail arrest decaying hair. It completely eradicates scurf, dandruff, and cures all diseases of the scalp. It does not contain any poisonous drugs. By its cooling properties it allays the itching and fever of the scalp, which is the great cause of people losing their hair.

Mr. MOORE has succeeded in being able to put this wash up in bottles without allowing it to ferment, and he will guarantee it to keep any length of time in any climate.
